

Bicycles and Beer: Ride The Mekong Islands & Visit a Local Brewery

Code: INS-CM02

Duration: Full day

If you like a refreshing cycle before beer o'clock, then you will love this ride. Covering a distance of approximately 25km on mainly flat tracks and small roads, all you need is your camera, sunscreen and some comfortable clothing. We cross the river by boat and set off on a relaxing ride on quiet back roads winding through Cham Muslim communities to reach the Mekong Islands.

Once you reached the islands, cycle through orchards and market gardens, enjoy the peaceful farmland and learn about the lives of the local people. Lunch will be served at the Friends Restaurant, which provides underprivileged street children with the opportunity to gain first-hand experience of the hospitality business. All profits are reinvested into the Training Centre activities. After lunch your driver will transfer you for a tour around Kingdom breweries where you will learn all about the machinery and the process that go in to producing the beer. After the tour (and a well-deserved beer), we will transfer you back to your hotel.
