

MARKETS, MONASTERIES AND A HIDDEN CAVE TEMPLE

Tour Code: INS-MN05

Duration: Full day

An ideal excursion on your second trip to Bagan when you are feeling like you have seen most of the temples (or at least enough of them!) and also want to discover a bit more of the Myanmar country side. We go by private car to Pakkoku and visit a local slipper factory, the main market for the area and also see where the famous Pakkoku blankets are made. Continue by boat to Kyauk Gu Ohnmin cave temple that rarely has many foreign visitors. After a picnic lunch near this fantastic temple your guide and driver will show you a taste of local village life in the dry zone and later in the day, we will visit a local lacquerware workshop in Myinkaba village.
