YANGON AFTER SUNSET

Tour Code: INS-MN36

Duration: Full day

At the end of the day many Yangonites leave their office and on the way back home they stop for some shopping, catch up with friends at a teashop, visit a pagoda or go to a beer station. This is exactly what you are going to do as well this evening. Highlight of the tour will be the evening visit to the illuminated Shwedagon pagoda – a magic and mystical moment at a time it's not very busy on the main platform. After the pagoda visit you will enjoy local snacks as well as a local draft beer or a fresh lime juice. The tour includes drinks, a walk over the night market in downtown, tea and snacks as well as a tasty bowl of noodles shared with some locals.
