

## YANGON CITY TOUR

**Tour Code: INS-MN37**

**Duration: Full day**

Yangon is a sprawling city with a relatively small downtown area including several markets, colonial buildings, the Yangon River and a very green area with tree-lined streets and several lakes. During this full day tour we will show you the different faces of Yangon from the landmarks to the hidden markets that have seen only a few westerners. You will visit the Sule Pagoda, colonial downtown, the harbour, The Strand and one of the colourful local markets. We will visit the reclining Buddha before being served a delicious lunch of typical dishes from tribes from all over the country such as Kachin, Shan and Rakhine. A trip to a local market will lead us to a small station where we take the famous circular train to bring us right behind Bogyoke Aung San market before heading back to your hotel.
